

## REMARKS

The present Amendment cancels system claims 11 and 13-15 and computer program product claims 16 and 18-19, leaving only method claims 1, 3-8, 10 and 21-22 present in this application. Applicants wish to file a Continuation application with the claims canceled herein.

During a telephone conference with Examiner Vu on February 27, 2008, the Examiner indicated that he believed that this Amendment would be entered, as Applicants are only requesting that claims be canceled.

For the above reasons, Applicants respectfully request entry of this Amendment pursuant to the provisions of 37 C.F.R. § 1.312 without withdrawing the case from issue. The Examiner is invited to call the undersigned at the below-listed telephone number.

Respectfully submitted,
